Agenda

Today, May 14

Hey Alex! 🙌 I reviewed the Figma mobile prototype you shared yesterday. The typography hierarchy and color contrast look super crisp!

10:35 AM

Thanks Kavindi! That's awesome to hear. I made sure to stick strictly to the 8px grid and accessible colors.

Here's the Python script template for the data scraping module we're building today:

data_scraper_v2.py

42 KB • Python source

10:40 AM

I finished reviewing your Figma wireframes! Ready for the React session?

10:42 AM

Thanks Kavindi! That's awesome to hear. I made sure to stick strictly to the 8px grid and accessible colors.

10:43 AM ✓

Sounds great! 🎉
